## 1 Scope of the Inspection Service

- 1.1 We will provide **you** with the **inspection service** for **plant** at the **site**, in accordance with the terms and conditions contained in this **contract**, and, in consideration of which, **you** will pay **us** the **contract price**.
- 1.2 Where **you** require that the **inspection service** is to be carried out in accordance with specific statutory regulations, the scope of the **inspection service** will (in so far as is possible under the terms of this **contract**) be in accordance with the terms of those statutory regulations and any respective relevant guidance or any relevant approved code or practice. The **report** will identify the regulations and any relevant guidance or any code of practice that apply.
- 1.3 For the avoidance of doubt, where the **inspection service** is carried out in accordance with any specific statutory regulation, the **competent person** will possess all necessary skills, experience and qualifications to the extent required under the applicable statutory regulation.
- 1.4 Where **you** do not require that the **inspection service** is carried out in accordance with specific statutory regulations or no such regulations apply, the scope of the **inspection service** will (in so far as is possible under the terms of this **contract**) be as instructed by **you** and agreed by **us** or, in the absence of such an instruction, as specified by **us**.
- 1.5 The scope of the **inspection service** will be limited by the extent to which **you** have prepared the **plant** for **inspection**. In this event the **report** will fully describe the scope of the **inspection**. In the event that the **plant** or part of a **plant** cannot be located or is not made available by **you** for **inspection**, the **report** will indicate that the **plant** or the relevant part of the **plant** could not be inspected and will give the reason for this.
- 1.6 The **report** may bring to **your** attention other noticeable and obvious defects that fall outside the scope of the **inspection**, although no obligation to do so exists. The impact of such other defects are to be assessed by and are the sole responsibility of **you**.
- 1.7 The **inspection service** will not cover the preparation, operation, repair or maintenance of **plant**.
- 1.8 We may (at **our** absolute discretion) negotiate with **you** and agree to provide **additional services**. **You** acknowledge that, unless otherwise agreed in this manner, **additional services** will not be included in the scope of the **inspection service**. For the avoidance of doubt, **additional services** will include, without limitation:
  - 1.8.1 the compilation and/or certification of written schemes of examination, which may be a statutory requirement;
  - 1.8.2 the witnessing or provision of ultrasonic, radiographic or other non-destructive tests (NDT) or other tests of a non-routine character or any proof of load stability, anchorage or similar test;
  - 1.8.3 the assessment of **plant** design and construction to verify compliance with applicable design or construction codes or European Directives;
  - 1.8.4 the assessment of the suitability of **plant** for its intended use in the particular environment within which it is operated;
  - 1.8.5 the assessment of the suitability of proposed repair or modification to **plant**;
  - 1.8.6 the carrying out of any additional **inspections** of the **plant** required during and/or on completion of such repair or modification;

- 2.2 At the end of the **term**, the parties may mutually agree to renew the **contract** on the same terms. Upon any renewal **we** may adjust the **contract price** whilst the remaining provisions will continue in full force and effect.

## 3 Our Obligations

- 3.1 Unless otherwise agreed, **we** will provide the **inspection service** within **normal working hours**.
- 3.2 **We** will use reasonable endeavours including making contact with **you** by telephone or in writing prior to the due date of the **inspections** in order to carry out the **inspections** of the **plant** at the **inspection interval(s)**.
- 3.3 **We** will produce the **report** within 14 days following completion of an **inspection** of the **plant**, other than in circumstances where an item is judged to give rise to immediate danger. In this event an on site report will be issued prior to leaving site.
- 3.4 **We** will notify **you** in writing within 14 days of any abortive attempts to arrange an **inspection**.
- 3.5 **We** will comply with **your** safe systems of work as notified by **you**. **We** reserve the right not to carry out an **inspection** if, in **our** absolute discretion, to do so would pose an unacceptable risk to the health, safety or welfare of either **us**, **you** or other person.

## 4 Contract Price

- 4.1 In addition to specified **mid term adjustments** **you** agree that **we** will adjust the **contract price** at the end of the **term** to take into account:
  - 4.1.1 any **plant** added to or deleted from the **schedule**;
  - 4.1.2 any changes to the **inspection interval(s)** stated in the **schedule**;
  - 4.1.3 any charges identified in section 5 of the **contract**;
  - 4.1.4 in the case of any activities charged on a time spent basis, the actual time spent data available from either time spent reports or on-site time sheets, as agreed; and/or
  - 4.1.5 any right of set-off available to **us** in relation to this **contract**.
  - 4.1.6 the revised **plant** as adjusted by 4.1.1, 4.1.2, 4.1.3 and 4.1.4 will be the basis of the **contract price** for the new **term**.
- 4.2 Unless otherwise agreed in writing any invoices will be paid within 30 days of the date of invoice, with the invoice being provided to **you** within 30 days of the commencement of the **specified period** or **term**.
- 4.3 **We** reserve the right to withhold further supply of the **inspection services** to any customer who fails to pay within the aforementioned period, without prejudice to any existing rights **we** may have in respect of such unpaid invoice.
- 4.4 Unless otherwise agreed in writing, prices quoted to **you** are shown in Sterling exclusive of Value Added Tax (or any other similar tax or duty levied by any Government or other Authority) on the value of the **services** supplied. Any such taxes or duties will be payable by **you** in addition to the prices quoted.

- 4.5 Where **we** have reached agreement to commence **inspections** for a new customer, the quotation offered will have been calculated on a schedule of **plant** provided. If that schedule is not accurate then the amount, size or capacity of **plant** inspected will not tally with the schedule provided. As such the initial fee would be a deposit, adjustable dependant on **inspections** having taken place in reality. If the amount of variation between quotation schedule and reality is substantial, **we** would wish to negotiate or renegotiate the fee required. This could either be at commencement or part way through an existing relationship.

## 5 Your Obligations

- 5.1 **You** will pay **us** the **contract price** at the start of the **term** or as otherwise agreed in writing between the parties.
- 5.2 Where the **contract price** is adjusted in accordance with clause 4, **you** will pay to **us** the difference between the **contract price** and the adjusted **contract price**.

- 5.3.1 **inspections** are carried outside **normal working hours**, at **your** request;

  - 5.3.3 **we** are unable to carry out an **inspection** of the **plant** at an agreed time through no fault of **our** own and a further appointment is necessitated;

  - 5.3.5 **you** request an agreement with **us** to postpone an **inspection**; and/or
  - 5.3.6 **you** request duplicate copies of **inspection reports**.

- 5.4.1 **you** are entitled to a **discount rate**; and/or
  - 5.4.2 **we** agree to a **maximum contract price**;
- and **you** agree that **we** (without prejudice to **our** rights under clause 9) will be under no obligation to accept **your** renewal request. In the event that **you** terminate this **contract** in breach of **your** obligations under this clause 5.3, **we** (without prejudice to **our** rights under clause 10) will be entitled to recover any amounts that **we** would have been paid had **you** not had the benefit of the provisions of this sub-clause.
- 5.5 **You** will ensure that all **plant** that requires **inspection** is included in the **schedule**. In the event of any errors or omissions in the **schedule**, **you** will notify **us** in writing, in a reasonable time.
- 5.6 To ensure that **we** provide the appropriate service, **you** will notify **us** if any **plant** is being operated outside the scope of usual operating conditions ('Non-Standard Operating Condition').

- 5.9 **You** will be responsible for the reassembly of the **plant** after **inspection**.
- 5.10 **You** will make available any of **your** staff, premises, facilities and access equipment as **we** may reasonably request to enable **us** to perform the **inspection service**. In particular where the operation of **plant** is required for the purposes of an **inspection**, **you** will make available a skilled and qualified operator.

- 5.11 **You** will promptly provide **us** with such information and documents as **we** may reasonably request for the proper performance of the **inspection service**. **You** will retain sole responsibility for the operation of the **plant**.
- 5.12 **You** will provide **us** with safe access to the **site** and a safe working environment on the **site**.
- 5.13 Before the beginning of each **inspection**, **you** will provide **us** with full information concerning any modification to the **plant** that has been made since the last **inspection**.
- 5.14 Notwithstanding **our** obligations under clause 3.2, it is **your** legal duty under any relevant statutory regulations to ensure that **plant** is inspected at the prescribed **inspection interval(s)**. It is therefore recommended that **you** establish a system to monitor **inspection intervals** in order to ensure compliance with the regulations and ensure that **we** are notified in advance of the **inspection** dates required, should this be necessary.

## **6 Liability of Us and You**

- 6.1 **We** accept no responsibility for damage sustained by the **plant** as a result of the failure of the **plant** to withstand a test applied as part of the **inspection service**.
- 6.2 Subject to sub-clause 6.1, **we** will indemnify **you** and keep **you** fully and effectively indemnified against any loss of or damage to any property or injury to or death of any person caused by any negligent act or omission or breach of this agreement by **us**, **our** employees, agents or subcontractors.
