If **you** acquire or create a subsidiary during the period of insurance, **we** will automatically cover the new company provided that any increase in exposure directly related to the acquisition is less than 10%. The exposure increases which are applicable are as per below:

- a) total salaries
- b) **employee** numbers
- c) travel days.

Any exposure which results in an increase greater than 10% must be declared to **us** so that **we** can review this change and provide terms and additional premium as necessary.

If the acquired or newly created subsidiary is within 10% but has a business description outside that of the parent company or what was declared to **us**, then **you** must notify **us** so that **we** can review the exposure and provide terms and additional premium if applicable and necessary.

2. Alteration

You must notify **us** as soon as possible during the period of insurance if there is any change in circumstances which materially increases the risk of accident, injury, loss, damage or liability.

Upon notification of any such change **we** will be entitled to vary the premium and terms for the rest of the period of insurance. If the changes make the risk unacceptable to **us** then **we** may no longer be able to provide **you** with cover.

If **you** do not notify **us** of any such change this policy may be affected in one or more of the following ways depending on what **we** would have done had **we** known about the change in circumstances:

- a) if **we** would not have continued to provide **you** with any cover **we** may treat this policy as if it did not exist from the date of the change in circumstances; or
- b) if **we** would have applied different terms to the cover **we** may treat this policy as if those different terms applied from the date of the change in circumstances; and/or
- c) if **we** would have charged **you** a higher premium for providing the cover **we** will charge **you** the additional premium which **you** must pay in full.

3. Amendments

We are entitled to amend the terms and conditions of this policy in order to comply with the requirements of any applicable legislation as amended from time to time. If such amendments materially increase the insured risk, both **you** and **we** agree to review the terms of this policy (including without limitation Premiums and/or Maximum Policy Limits).

4. Assignment

This policy may not be assigned without **our** prior written consent.

5. Cancellation

You may cancel this policy by giving **us** 30 days prior written notice. **We** may cancel this policy by giving **you** 30 days prior written notice at **your** last known address except that 7 days prior written notice will be given when cancellation is for non-payment of premium. Notice will be made via special delivery mail.

If **you** cancel this policy **we** will return a pro-rata of the annual premium provided always that no claim has been paid or is payable and no incident has occurred which could give rise to a claim under this policy. If **we** cancel the policy **we** will retain the pro-rata earned premium under it for the period during which this policy has been in force.

We may cancel any coverage provided under this policy in respect of **war** by sending **you** 7 days prior written notice to **your** last known address. Notice will be made via special delivery mail.

6. Contractual Right of Renewal (tacit)

If **you** pay the premium to **us** using **our** Direct Debit instalment scheme **we** will have the right which **we** may choose not to exercise to renew this policy each year and continue to collect premiums using this method. **We** may vary the terms of this policy including the premium at renewal. If **you** decide that **you** do not want **us** to renew this policy provided **you** tell **us** or **your** broker or insurance intermediary prior to the next renewal date **we** will not renew it.

Our right to renew this policy does not affect **your** rights to cancel the policy shown in General condition 5 – Cancellation.

7. Duplicate Cover

If a loss is covered under more than one section of this policy **we** will provide cover under the section that provides the most cover but never under more than one section. In no event will **we** make duplicate payments for the same loss.

8. Fair Presentation of the Risk

- a) At inception and renewal of this policy and also whenever changes are made to it at **your** request **you** must:
- i) disclose to **us** all material facts in a clear and accessible manner; and
 - ii) not misrepresent any material facts.
- b) If **you** do not comply with clause a) of this condition and the non-disclosure or misrepresentation by **you** is proven by **us** to be deliberate or reckless **we** may from the relevant date specified in clause d):
- i) treat this policy as if it had not existed; and
 - ii) not return the premium paid by **you**.
- c) If **you** do not comply with clause a) of this condition and the non-disclosure or misrepresentation is not deliberate or reckless the cover, meaning this policy or the changes made to it, may be affected from the relevant date in clause d) in one or more of the following ways depending on what **we** would have done if **we** had known about the facts which **you** failed to disclose or misrepresented:
- i) if **we** would not have provided **you** with the cover **we** will have the option to treat the cover as if it had not existed and repay the premium paid for such cover; or
 - ii) if **we** would have applied different terms to the cover **we** will have the option to treat this policy as if those different terms apply; and/or
 - iii) if **we** would have charged **you** a higher premium for providing the cover **we** will charge **you** the additional premium which **you** must pay in full.
- d) Clauses b) and c) apply with effect from inception, renewal or the date of the changes, depending on when the non-compliance occurred. **We** may also recover any claims payments which have already been made to the extent that the cover under which such payments were made is being treated as if it did not exist or as if it had been subject to different terms under which the claim would not have been payable.
- e) Where this policy provides cover for any person other than **you** and that person would if they had taken out such cover in their own name have done so for purposes wholly or mainly unconnected with their trade, business or profession **we** will not invoke the remedies which might otherwise have been available to **us** under this condition if the failure to make a fair presentation of the risk concerns only facts or information which relate to a particular **insured person** other than **you**.

Provided always that if the person concerned or **you** acting on their behalf makes a careless misrepresentation of fact **we** may invoke the remedies available to **us** under this condition as against that particular person as if a separate insurance contract had been issued to them leaving the remainder of the policy unaffected.

9. Fraudulent Claims

If **you** or anyone acting on **your** behalf:

- a) makes a fraudulent or exaggerated claim under this policy; or
- b) uses fraudulent means or devices including the submission of false or forged documents in support of a claim whether or not the claim is itself genuine; or
- c) makes a false statement in support of a claim whether or not the claim is itself genuine; or
- d) submits a claim under this policy for loss or damage which **you** or anyone acting on **your** behalf or in connivance with **you** deliberately caused; or
- e) realises after submitting what **you** reasonably believed was a genuine claim under this policy and then fails to tell **us** that **you** have not suffered any loss or damage; or
- f) suppresses information which **you** know would otherwise enable **us** to refuse to pay a claim under this policy

we will be entitled to refuse to pay the whole of the claim and recover any sums that **we** have already paid in respect of the claim.

We may also notify **you** that **we** will be treating this policy as having terminated with effect from the date of any of the acts or omissions set out in clauses a) to f) of this condition.

If **we** terminate this policy under this condition **you** will have no cover under this policy from the date of termination and not be entitled to any refund of premium.

If any fraud is perpetrated by or on behalf of an **insured person** and not on behalf of **you** this condition should be read as if it applies only to that **insured person's** claim and references to this policy should be read as if they were references to the cover effected for that person alone and not to the policy as a whole.

10. Interest

No sum payable under this policy will carry interest.

11. Other Insurances

If at the time of an **event** insured under this policy there is any other insurance covering the same loss, damage or liability or any part of them **we** will only pay **our** rateable proportion of the claim except where this is excluded under the specific section.

Provided always that this clause will not apply to Sections 2, 6, 7 or 8 of this policy.

12. Payment by Instalments

Reference to the payment of premium includes payment by monthly instalments. If **you** pay by this method this policy remains an annual contract.

13. Reasonable Care

You and any **insured person** will exercise reasonable care to avoid or diminish any loss or any circumstances likely to give rise to a claim under this policy.

14. Subrogation

In the event of any payment made or to be made under this policy **we** shall be subrogated to all **your** rights of recovery thereof against any person or organisation and **you** shall execute and deliver instruments and papers and do whatever else is necessary to secure such rights. **You** shall do nothing after a loss to prejudice such rights and in the event **you** waive **your** claim against a third party, following an occurrence **we** shall be free from **our** obligation to indemnify **you** to the extent that **we** would otherwise have had the right to effect recovery. For the purposes of this clause '**you**' shall include all persons and organisations indemnified under this policy.

15. Third Party Rights

A person who is not a party to this contract has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this contract.

Section 18 – Claims Conditions

It is a condition precedent to **our** liability under this policy that in the event of any circumstances which could give rise to a claim **you** will:

- a)
 - i) give notice to **us** as soon as reasonably possible
 - ii) make no admission of liability without **our** prior written consent
 - iii) provide **us** or **our** appointed representatives with:
 - 1) all necessary assistance in a timely manner
 - 2) all information reasonably required
 - 3) all documentation and records necessary to establish and assess indemnity under this policy
 - iv) prove the loss to **our** reasonable satisfaction
 - v) forward immediately to **us** or **our** representatives any letter, writ or other document received in connection with any claim made under this policy
 - vi) assist and concur with all reasonable arrangements for **our** medical advisors to examine an **insured person** in respect of which a claim has arisen; and
- b) as often as may be reasonably required provide a statutory declaration sworn before a solicitor, justice of the peace or notary public named by **us** on all matters connected with a claim at such reasonable time and place as **we** may designate.

No act by **us** or **our** representatives in connection with any investigation will be deemed a waiver of any defence which **we** might otherwise have. All acts will be deemed to have been made without prejudice to **our** liability.

We reserve the right to:

- i) take such steps as **we** deem necessary to prevent, mitigate or minimise a loss
- ii) take over and conduct the defence or settlement of claims made against an **insured person** that is covered by this policy
- iii) pursue all rights or remedies available to **you** whether or not payment has been made.
