Ultimate Exclusive Home

Zurich Private Clients

This document provides a summary of the significant features, benefits, exclusions and limitations of the cover provided by the Zurich Private Clients Ultimate Exclusive Home policy. It does not contain the full terms and conditions, which can be found in your policy. Because every client is individual and we provide bespoke insurance to meet your individual needs, you should check your schedule to see which covers are in force.

Significant features and benefits

We provide all risks cover for your properties, contents and valuables. This means that unlike some insurance companies, you're not restricted in what perils you are covered against – we cover everything that may happen to your home or possessions and then list any exclusions that apply.

Your contents and valuables are covered anywhere in the world, so you are not limited in what you take away from your home.

Annual travel cover is automatically provided for clients up to the age of 80. Cover is also automatically provided for liability, lifestyle protection and legal protection.

We follow a warranty-free approach. This means that your policy will not include unnecessary restrictive warranties that could invalidate your claim or affect the amount you receive in payment.

You can insure your homes, fine art, jewellery, travel, yachts and motor vehicles with us with one consistent renewal date and a single interest-free monthly direct debit payment.

We offer simple and hassle-free administration so you will not have to complete any proposal or claim forms.

We believe that you should have freedom of choice and therefore following a total loss we allow you to choose whether you replace an item or take a full cash settlement without any deduction. If you choose to replace or repair an item, we will allow you to choose your own supplier or contractor.

Significant or unusual exclusions or limitations

You are responsible for paying the first amount of any claim, referred to as the excess. The amount of the excess will be shown on your schedule or in your policy. The excess is waived if the claim is more than £10,000.

If your claim is as a result of subsidence, you are responsible for paying the first £1,000, regardless of the cost of the claim.

There is no cover for loss or damage caused by building works where the contract value exceeds £50,000, unless you provide full details of the building works before it commences and we agree to accept the risk.

We will not pay for loss or damage caused by vermin, insects or rodents.

Under Annual travel, cover is only provided for anyone aged 75 or over for trips within the European Union, Norway and Switzerland.

There is no cover for loss resulting from a known medical condition unless it is normally stable and under control and there has been no more than one in-patient or out-patient treatment in the last 12 months.

Lifestyle cover, Annual travel cover and personal liability cover are only provided if you have contents insured with Zurich Private Clients.

Under Watercraft, we will not pay for loss or damage if the craft is more than 12 nautical miles offshore or is crossing the English Channel, Irish or North seas.
