

A photograph of a modern rooftop terrace. In the foreground, there are beige and dark brown cushions of a sofa. The terrace floor is made of large, light-colored stone tiles. A large, dark, cylindrical planter holds a tall, spiky plant. To the left, there is a low, white, rectangular table. In the background, a modern building with horizontal metallic panels and a glass railing is visible. The sky is clear and blue, and the ocean is visible in the distance. A large, semi-transparent brown circle is overlaid on the left side of the image, containing the title text.

At the renewal of **your policy**, **you** will be provided with an updated **statement of insurance**. If **we** have made any changes to the cover provided under **your policy**, **you** will receive a new policy booklet.

Your policy is governed by the law that applies to where **you** reside within the **United Kingdom**. If there is any disagreement about the law which law applies, English law will apply.

You agree to submit to the exclusive jurisdiction of the courts in England and Wales.

If **you** have motor insurance with Zurich Private Clients, **you** will receive a separate policy.

Your cancellation rights

If **you** decide that **your policy** does not meet **your** requirements, please inform **us** or **your** insurance broker within 14 days of receiving it and **we** will return the entire premium **you** have paid for the **period of insurance**. After 14 days any return premium will be calculated on a pro-rata basis.

Currency conversion

If any costs are incurred in a currency other than Pound sterling, the costs will be converted to Pound sterling using the exchange rate at the time the costs were incurred.

Duplicate cover

If a loss is payable under more than one part of **your policy**, **we** will pay **you** under the part that gives **you** the most cover, but not under more than one part.

If **you** have both Contents and unspecified Valuables, fine art and antiques cover shown on **your statement of insurance** and a loss is covered under both sections, **your** amount of cover will be the combined value of the **contents** sum insured and the unspecified **valuables, fine art and antiques** limit subject to the special limits under Contents cover.

Non-payment of premium

If **your** premium has not been paid, **we** may refuse **your** claim or take any unpaid premium from any claim payment **we** make to **you**.

No change or modification to **your policy** shall be effective except if confirmed in writing by **us** or unless covered under the cover enhancements condition of **your policy**.

If **you** decide **you** do not want **us** to renew **your policy**, provided **you** tell **us** or **your** insurance broker before the next renewal date, **we** will not renew it. This does not affect **your** cancellation rights under **your policy**.

Rights of third parties

You and **we** are the only parties to **your policy**. Nothing in **your policy** is intended to give any person any right to enforce any term of **your policy** which that person would not have had but for the Contracts (Rights of Third Parties) Act 1999.

Legal protection cover

Helping you with your legal problems

If **you** wish to speak to **our** legal teams about a legal problem, please phone **us** on **0344 893 9011**. **We** will ask **you** about **your** legal issue and if necessary call **you** back to give **you** legal advice.

When you need to make a claim

If **your** issue cannot be dealt with through legal advice and needs to be dealt with as a potential claim under this policy, phone **us** on **0344 893 9011** and **we** will give **you** a reference number. At this point **we** will not be able to tell **you** whether **you** are covered but **we** will pass the information **you** have given **us** to **our** claims-handling teams and explain what to do next.

Please do not ask for help from a lawyer, accountant or anyone else before **we** have agreed that **you** should do so. If **you** do, **we** will not pay the costs involved even if **we** accept the claim.

Our agreement

We agree to provide the insurance described in this policy section, in return for payment of the premium and subject to the terms, conditions, exclusions and limitations set out in this policy section, provided that:

- **reasonable prospects** exist for the duration of the claim;
- the **date of occurrence** of the insured **incident** is during the **period of insurance**;

or during the currency of a previous equivalent legal expenses insurance policy, provided that:

- the previous legal expenses insurance policy required **you** to report claims during its currency
- **you** could not have notified a claim previously as **you** could not have reasonably been aware of the insured **incident**
- cover has been continuously maintained in force
- any claim that should have been covered under a previously operative legal expenses insurance policy will not be covered by **us**
- the available limit of indemnity shall be limited to the lesser of the sums payable under this or **your** previous **policy**
- any legal proceedings will be dealt with by a court, or other body which **we** agree to, within the territorial limits; and
- the insured **incident** happens within the **territorial limits**.

We, or a **preferred law firm** on **our** behalf, will assess whether there are **reasonable prospects**. Anyone claiming under this section must have the policyholder's agreement to claim.

What we will pay

We will pay a representative, on **your** behalf, **costs and expenses** incurred following an insured **incident**, provided that:

- in respect of an appeal or the defence of an appeal, **you** tell **us** within the time limits allowed that **you** want to appeal. Before **we** pay the **costs and expenses** for appeals, **we** must agree that reasonable prospects exist;
- for an enforcement of judgment to recover money and interest due to **you** after a successful claim under this policy, **we** must agree that **reasonable prospects** exist.

The most **we** will pay for all claims resulting from one or more event arising at the same time or from the same originating cause is £250,000.

The most **we** will pay in **costs and expenses** is no more than the amount **we** would have paid to a **preferred law firm**. The amount **we** will pay a law firm, where acting as a **representative** is currently £100 per hour. This amount may vary from time to time.

Where an award of damages is the only legal remedy to a dispute and the cost of pursuing legal action is likely to be more than any award of damages, the most **we** will pay in **costs and expenses** is the value of the likely award.

What we will not pay

In the event of a claim, if **you** decide not to use the services of a **preferred law firm**, **you** will be responsible for any costs that fall outside the **ARAG Standard terms of appointment** and these will not be paid by **us**.

What is covered

We will pay a **representative** for **costs and expenses** for the following insured incidents unless stated otherwise in **your policy** or unless an exclusion applies:

- **you** being interviewed by the police or others with the power to prosecute;
- **you** being prosecuted in a court of criminal jurisdiction;
- civil action being taken against **you** under:
 - legislation for unlawful discrimination;
 - data protection legislation.
 - a disciplinary case being brought against **you** by the relevant authority.

Planning application appeals

We will negotiate on **your** behalf following the refusal of the Local Planning Authority to grant planning permission following **your** request for planning approval provided that:

- **you** have taken all reasonable steps to ensure planning permission is granted, such as consulting with the Local Authority prior to submitting **your** application;
- **you** have exhausted every alternative option to secure planning approval prior to launching a planning application appeal.

The most **we** will pay for planning application appeals is £5,000.

- an event which causes or could cause physical damage to such material property. The amount in dispute must be more than £100;

Please note **you** must have, or there must be reasonable prospects of establishing **you** have, the legal ownership or right to the land or personal possessions that are the subject of the dispute.

If **you** are using a **preferred law firm**, **you** will be asked to pay this within 21 days of **your** claim having been assessed as having **reasonable prospects**. If **you** are using **your** own law firm, this will be within 21 days of their appointment (following confirmation **your** claim has **reasonable prospects**). If **you** do not pay this amount the cover for **your** claim could be withdrawn.

Service occupancy

A dispute against a **domestic employee** or **ex-domestic employee** to recover possession of **your home**.

Tax protection

A comprehensive examination by HM Revenue & Customs that considers all areas of **your** self-assessment tax return but not enquiries limited to one or more specific area.

Legal protection conditions

The following conditions apply to the Legal protection cover of **your policy**. **Your** failure to comply with these conditions may result in **your** claim not being met, or not being met in full. Additional conditions apply and are shown in General policy conditions.

Arbitration

If there is a disagreement about the handling of a claim and it is not resolved through **our** internal complaints procedure the Financial Ombudsman Service may be able to help. This is a free complaint resolution service for eligible complaints. (Details available from www.financial-ombudsman.org.uk)

Alternatively, there is a separate arbitration process available that can be used to settle any dispute with **us**. The arbitrator will be a jointly agreed barrister, solicitor or other suitably qualified person. If there is a disagreement over the choice of arbitrator, **we** will ask the Chartered Institute of Arbitrators to decide. The arbitrator will decide who will pay the costs of the arbitration. For example, costs may be split between the parties or one party may pay all the costs.

Assessing and recovering costs

You must instruct the **representative** to have **costs and expenses** taxed, assessed or audited, if **we** ask for this.

You must take every step to recover **costs and expenses** that **we** have to pay, and must pay **us** any **costs and expenses** that are recovered.

Law that applies

This policy is governed by the law that applies in the part of the **United Kingdom**, where **you** normally live. Otherwise, the law of England and Wales applies.

All Acts of Parliament include equivalent laws in Scotland, Northern Ireland, the Isle of Man and the Channel Islands.

Legal action we have not agreed

Any legal action **you** take that **we** or the **appointed representative** have not agreed to, or where **you** do anything that hinders **us** or the **appointed representative**.

Legal representation

On receiving a claim, if legal representation is necessary, **we** will appoint a **preferred law firm** as **your representative** to deal with **your** claim. They will try to settle **your** claim by negotiation without having to go to court.

If the appointed **preferred law firm** cannot negotiate settlement of **your** claim and it is necessary to go to court and legal proceedings are issued or there is a conflict of interest, then **you** may choose a law firm to act as the **representative**.

If **you** choose a law firm as **your representative** who is not a **preferred law firm**, **we** will give **your** choice of law firm the opportunity to act on the same terms as a **preferred law firm**. However if they refuse to act on this basis, the most **we** will pay is the amount **we** would have paid if they had agreed to the **ARAG Standard terms of appointment**. The amount **we** will pay a law firm (where acting as the **representative**) is currently £100 per hour. This amount may vary from time to time.

The **representative** must co-operate with **us** at all times and must keep **us** up to date with the progress of the claim.

Offers of settlement

You must tell **us** if anyone offers to settle a claim. **You** must not negotiate or agree to a settlement without **our** written consent.

If **you** do not accept a reasonable offer to settle a claim, **we** may refuse to pay further **costs and expenses**.

We may decide to pay **you** the reasonable value of **your** claim, instead of starting or continuing legal action. In these circumstances **you** must allow **us** to take over and pursue or settle any claim in **your** name. **You** must also allow **us** to pursue at **our** own expense and for **our** own benefit, any claim for compensation against any other person and **you** must give **us** all the information and help **we** need to do so.

If **you** settle a claim or withdraw it without **our** agreement, or **you** do not give suitable instructions to a **representative**, **we** can withdraw cover and **we** will be entitled to reclaim from **you** **costs and expenses** **we** have paid.

Representation

If the **representative** refuses to continue acting for **you** with good reason, or if **you** dismiss the **representative** without good reason, the cover **we** provide will end at once, unless **we** agree to appoint another **representative**.

Second opinion

If there is a disagreement on the merits of the claim or proceedings, or on a legal principle, **we** may suggest **you** obtain at **your** own expense an opinion on the matter from an independent and appropriate expert. The expert must be approved in advance by **us** and the cost expressly agreed in writing between **you** and **us**. Subject to this **we** will pay the cost of getting the opinion if the expert's opinion indicates that it is more likely than not that **you** will recover damages (or obtain any other legal remedy that **we** have agreed to) or make a successful defence. This does not affect **your** rights under Legal protection condition arbitration.

Your responsibilities

- **You** must co-operate fully with **us** and the **appointed representative**;
- **You** must give the **appointed representative** any instructions that **we** ask **you** to.

Home assistance

How we can help

Once **you've** checked that **your** emergency is an insured event, it's important that **you** tell **us** about it as soon as **you** can. If **we** accept **your** claim, **we** will arrange and pay for a contractor to resolve the insured event taking into account what would be fair and reasonable in the circumstances. **We** will either:

- i) carry out a temporary repair (or a permanent repair if this is no more expensive); or
- ii) take other action, such as isolating a leaking component or gaining access to **your home**.

At all times **we** will decide the best way of providing help.

To claim under **your** policy, please check the information below, which tells **you** when **we** can help and what **you're** covered for, then phone **us** on **0800 328 3306**. **We** will ask **you** to confirm:

- **your** name and **your home** address including postcode
- the nature of the problem.

Our phone lines are open 24 hours a day, 365 days a year. To help **us** check and improve our service standards, **we** may record all calls.

We ask that **you** don't arrange for a contractor yourself because **we** won't pay for this or for any work that **we** haven't agreed to in advance. Also, please make sure there is someone aged 18 or over at **home** when **our** contractor arrives.

When we cannot help

- **You** should immediately contact the fire, ambulance or police service in a situation that could result in serious risk to **you** or substantial damage to **your home**.
- If **you** think there is a gas leak, **you** should contact the National Gas Emergency Service on **0800 111 999**.
- If there is an emergency relating to a service such as the mains water or electricity supply, **you** should contact **your** supplier.

We will always try to get to **you** as soon as possible but sometimes it may take **us** longer than **we** would like because the weather is bad, **you** are in a remote location or parts needed to complete the repair are unavailable.

If providing help would put **our** contractors in danger, for example carrying out roof repairs in high winds or repairing damp electrics, **we** will wait until the conditions have improved before sending someone out.

What we will pay

- 1) **We** will arrange and pay for a contractor to take action up to the **emergency assistance limit** for each insured event.
- 2) If **your home** remains uninhabitable overnight following an insured event, **we** will reimburse **you** for hotel accommodation. **You** must send **us** all relevant invoice(s) before **we** will reimburse **you**. The decision on whether **your home** is uninhabitable will take into account whether it would be fair and reasonable for **you** to remain in **your home**.

What we will not pay

- a) Any costs per **emergency** which exceed the **emergency assistance limit**; and/or
- b) Any costs of overnight accommodation which exceed the amounts specified under **hotel accommodation**.

Circumstances beyond our control

We will make every effort to provide the service at all times, but **we** will not be responsible for any liability arising from **our** inability to provide assistance as a result of circumstances beyond **our** reasonable control.

Keeping to the policy terms

You must try to prevent anything happening that may cause a claim and take steps to keep any amount **we** have to pay as low as possible.

Law that applies

This policy is governed by the law that applies in the part of the **United Kingdom**, the Channel Islands or the Isle of Man where **you** normally live. Otherwise, the law of England and Wales applies.
