New Home Structural Defects Insurance Policy

Welcome to **your** Zurich **new home** structural defects insurance policy. Problems with new homes are rare but if **you** should need this insurance it is important that **you** understand what is and what is not covered. The policy should be accompanied by a **building period certificate** or **insurance certificate**, or both as appropriate, and is not valid without them.

You will need to read the policy wording, the definitions and conditions, the **certificates** and any endorsements printed on them carefully for the full details of cover.

By way of summary, and subject to the conditions and any endorsements printed on the **certificates**, the policy protects **you** if **your developer** goes into liquidation or is made bankrupt against the loss of contract exchange deposit and the repair of certain types of damage caused by building defects in the first two years (or one year if **your new home** includes a **conversion**).

If the **developer** is not in liquidation or has not been made bankrupt, but nonetheless unreasonably refuses to meet its repair obligations within a reasonable period, **we** will help to resolve a dispute between **you** and the **developer** by giving advice about the extent of cover available under the policy and the **developer's** responsibility to rectify damage caused by defects. If **we** advise that repairs are covered by the policy but the **developer** unreasonably refuses to carry out the work within a reasonable period, **we** will pay for the work to be completed.

After the first two years (or one-year if the **new home** includes a **conversion**) and until ten years after the **effective date** on the **insurance certificate**, **we** will cover the repair of **major physical damage** caused by building defects in the original construction.

This policy is an agreement, the insurance contract, between **you**, the **buyer**, and **us** (Zurich Insurance plc), entered into by the **developer** on **your** behalf. It is based on the details provided to **us** by the **developer** and by **you** if **you** are the first **buyer**. If any of those details change **you** must let **us** know as soon as possible, otherwise it may invalidate the insurance.

The conditions that apply to all parts of this policy are listed in Section 4. Please ensure **you** read the conditions, as well as "the Insurance" section of this policy document.

Certain words have specific meanings when they appear in this policy. These meanings are shown in the Definitions section and appear throughout the policy in bold type.

You may only claim under this policy whilst **you** are the current **buyer**. **You** are not entitled to make or continue a claim under this policy once **you** have sold or otherwise disposed of **your** interest in the **new home**.

How we will use your data

Zurich Insurance plc holds data in accordance with the Data Protection Act 1998. It may be necessary for **us** to pass data to other organisations that supply products and services associated with this contract of insurance. In order to verify information, or to prevent and detect fraud, **we** may share information **you** give **us** with other organisations and public bodies, including the Police, accessing and updating various databases. If **you** give **us** false or inaccurate information and **we** suspect fraud, **we** will record this and the information will be available to other organisations that have access to the database(s). **We** can supply details of the databases **we** access or contribute to, on request.

Your cancellation rights

You have the right to cancel this policy, however, **we** are unable to return to **you** any premium paid to **us**. Before **you** decide to cancel the insurance it is important to check with **your** mortgage lender that **you** will not breach any conditions of **your** loan. **You** may also want to consider whether cancellation could affect the ability of any subsequent **buyer** to obtain a mortgage.

This policy is a legal document and should be kept in a safe place. As shown in condition 9, Section 4, this policy will be governed by English law and be subject to the jurisdiction of the English courts.
