General conditions

1. Alteration
You must notify us as soon as possible during the period of insurance if there is any change in circumstances or to the material facts previously disclosed by you to us or stated as material facts by us to you which increases the risk of accident, injury, loss, damage or liability.

Upon notification of any such change we will be entitled to vary the premium and terms for the rest of the period of insurance. If the changes make the risk unacceptable to us then we are under no obligation to agree to make them and may no longer be able to provide you with cover.

If you do not notify us of any such change we may exercise one or more of the options described in clauses c) i), ii) and iii) of General condition 8 but only with effect from the date of the change in circumstances or material facts.

2. Arbitration
If we admit liability for a claim but there is a dispute as to the amount to be paid the dispute will be referred to an arbitrator. The arbitrator will be appointed jointly by you and us in accordance with the law at the time. You may not take any legal action against us over the dispute prior to the arbitrator having reached a decision.

3. Assignment
This policy may not be assigned without our prior written consent.

4. Cancellation
You may cancel this policy by giving us 30 days prior written notice. We may cancel this policy by giving you 30 days prior written notice at your last known address except that 7 days prior written notice will be given when cancellation is for non-payment of premium.

Notice will be made via special delivery mail.

If you cancel this policy we will return a pro-rata of the annual premium subject to a minimum retention of GBP1,000 or one third of the annual premium whichever is greater provided always that no claim has been paid or is payable and no incident has occurred which could give rise to a claim under this policy. If we cancel the policy we will retain the pro-rata earned premium under it for the period during which this policy has been in force or the pro-rata minimum premium whichever is greater.

We may cancel any coverage provided under this policy in respect of war by sending you 7 days prior written notice to your last known address. Notice will be made via special delivery mail.

5. Contractual right of renewal (tacit)
If you pay the premium to us using our Direct Debit instalment scheme we will have the right which we may choose not to exercise to renew this policy each year and continue to collect premiums using this method. We may vary the terms of this policy including the premium at renewal. If you decide that you do not want us to renew this policy provided you tell us or your broker or insurance intermediary prior to the next renewal date we will not renew it.

6. Duplicate cover
If a loss is covered under more than one section of this policy we will provide cover under the section that provides the most cover but never under more than one section. In no event will we make duplicate payments for the same loss.

7. Event aggregate limitation
If the total amount of all claims for bodily injury arising out of any one event exceeds the event aggregate limit each individual claim will be proportionately reduced until the total value of all claims does not exceed the event aggregate limit.

8. Fair presentation of the risk
a) At inception and renewal of this policy and also whenever changes are made to it at your request you must:
   i) disclose to us all material facts in a clear and accessible manner; and
   ii) not misrepresent any material facts.

b) If you do not comply with clause a) of this condition we may:
   i) avoid the policy which means that we will treat it as if it had never existed and refuse all claims where any non-disclosure or misrepresentation by you is proven by us to be deliberate or reckless in which case we will not return the premium paid by you; and
   ii) recover from you any amount we have already paid for any claims including costs or expenses we have incurred.

c) If you do not comply with clause a) of this condition and the non-disclosure or misrepresentation is not deliberate or reckless this policy may be affected in one or more of the following ways depending on what we would have done if we had known about the facts which you failed to disclose or misrepresented:
   i) if we would not have provided you with any cover we will have the option to:
      1) avoid the policy which means that we will treat it as if it had never existed and repay the premium paid; and
      2) recover from you any amount we have already paid for any claims including costs or expenses we have incurred.

f) suppresses information which you know would otherwise enable us to refuse to pay a claim under this policy

We will be entitled to refuse to pay the whole of the claim and recover any sums that we have already paid in respect of the claim.

We may also notify you that we will be treating this policy as having terminated with effect from the date of any of the acts or omissions set out in clauses a) to f) of this condition.

If we terminate this policy under this condition you will have no cover under this policy from the date of termination and not be entitled to any refund of premium.

If any fraud is perpetrated by or on behalf of an insured person and not on behalf of you this condition should be read as if it applies only to that insured person’s claim and references to this policy should be read as if they were references to the cover effected for that person alone and not to the policy as a whole.

13. Other insurance
If at the time of an event insured under this policy there is any other insurance covering the same loss, damage or liability or any part of them we will only pay our rateable proportion of the claim except where this is excluded under the specific section.
