

Your claim with Zurich

You tell us about your claim

We'll ask you some questions:

- What's happened?
- Has the leak stopped?
- What's damaged?

 To help reduce any damage, please try to stop the leak or turn off the water supply as soon as you can

 Please take photos of the damage if you can as it helps later on

If your contents are insured with Zurich and have been damaged by this incident we'll work with you to get these restored, repaired or replaced

Depending on what's happened we'll help you decide on the best way to get your property back to normal

If needed, we'll use our network of specialists who'll help with:

- Drying
- Leak detection
- Looking after you

We may arrange some extra support for you to help progress your claim and fix the damage

This might be from a loss adjuster or a specialist contractor

Our specialists will let you know what repairs are needed

Your claim is complete

You pay any excess needed. We'll approve and pay for the repairs

We'll deduct your excess from your final settlement

If you have a loss adjuster they'll help you arrange the repairs

You can choose to get the repairs completed by one of Zurich's wide network of approved repairers

For minor damage, you can choose to manage the repairs yourself. Please get an estimate for us to review
