## Application form and Summary of cover

This document contains an application (proposal) form and a summary of cover. Once we have accepted your application and you have paid the premium, we will send you a further summary, also showing the particulars of your trip, for you to use as evidence of cover. A separate full copy of the policy is available on request, or via the Zurich Municipal website [www.zurich.co.uk/municipal](http://www.zurich.co.uk/municipal).

In order to minimise delays and avoid correspondence, please ensure the contact details of the person to whom confirmation of cover is to be sent are shown and that you send your application and premium to us at least 10 days prior to departure.

Please note that the completion and submission of this form does not bind you or us to enter into a contract of insurance.

You understand that you must make a fair presentation of the risk to us when completing this form and at inception, renewal and whenever you request changes to your policy. This means that you must tell us about all facts and circumstances which may be material to the risks covered by the policy in a clear and accessible manner and must not misrepresent any material facts. A material fact is one which would influence our acceptance or assessment of the risk. If you have any doubt about facts considered material, it is in your interest to disclose them.

If you do not make a fair presentation of the risk the policy may be avoided, written on different terms or a higher premium may be charged, depending on the circumstances of the failure to present the risk fairly.

### Insurance Act 2015

The policy embraces the principles of the Insurance Act 2015 law reforms. It also incorporates a modification which has the aim to promote good customer outcomes, whereby in cases of non-deliberate or non-reckless non-disclosure or misrepresentation we will request any additional premium which may be required and pay subsequent claims in full rather than proportionately reducing subsequent claims payments.

### Cancellation Rights

This policy does not entitle any party to a cooling-off period.

### Our Complaints Procedure

We want to provide a first class service. If you have any cause for complaint you should, in the first instance, contact either the intermediary who arranged the policy for you, or the branch that issued your policy. Please quote the details of your policy (your surname and initials, policy number, departmental reference, etc).

If we are unable to resolve your complaint to your satisfaction within 8 weeks, or if we have provided you with a final decision letter, you may be able to refer your complaint to the Financial Ombudsman Service (ombudsman). This is a free and impartial service and you are entitled to contact the ombudsman at any stage of your complaint. For more information please contact the ombudsman directly or visit <http://www.financial-ombudsman.org.uk>.

You can telephone for free on:

08000 234 567 for people phoning from a "fixed line"  
(for example, a landline at home)

0300 123 9 123 for mobile-phone users who pay a monthly charge for calls to numbers starting 01 or 02

Or e-mail: [complaint.info@financial-ombudsman.org.uk](mailto:complaint.info@financial-ombudsman.org.uk)

The ombudsman will only consider your complaint if, at the time of notification, you are a consumer, a business employing fewer than 10 persons that has an annual turnover or balance sheet that does not exceed €2 million, a charity with an annual income of less than £1 million or a trustee of a trust with a net asset value of less than £1 million.

### Important Notes: Passports, Travel Against Medical Advice & Compulsory Contacting of ZTA

#### Passports

We recommend that a copy of the passport header page be taken on a journey. Loss of passport is the most common mishap to befall UK travellers and a copy assists with emergency replacement.

### Travelling or intending to travel against medical advice

In line with many travel insurance policies, this policy has an exclusion of "travel against medical advice".

We strongly recommend that if there is any doubt over a current or recent medical condition that the insured person visits their doctor to ensure they are fit to travel and are not invalidating their cover. This will help to avoid potential difficulties should the need to claim arise later for cancellation or sickness happening during the trip.

"Fit to travel" implies that during the trip the medical condition is unlikely to create the need for medical attention or other additional costs such as emergency evacuation or visit of a relative that would ordinarily qualify as a claim under the policy.

The insured person should obtain a written statement from their GP or other medical practitioner at most 7 days before the trip starts stating that they are fit to travel **having regard to:**

- the condition itself; and
- the following features of the trip:  
destination, activities, duration, methods of travel

The insured person should tell the medical professional that the required statement is for specific insurance purposes and that it may be relied upon to substantiate the validity of a claim should it later need to be made.

Where a trip is booked (incurring non-refundable expenses) a considerable time before the departure date, it is prudent to consider an additional earlier consultation with the medical professional to obtain a similar statement. This is in case a medical condition being experienced at the time of booking worsens to cause cancellation of the trip before departure, and the need for a Cancellation claim to be made.

### Compulsory Contact of Zurich Travel Assistance

Please note that certain events for which assistance may be required or claims paid **must be handled through ZTA:**

- In-patient hospital treatment
- Emergency Repatriation Expenses
- Kidnap
- Political or Natural Disaster Evacuation
